Rain International, LLC
Compensation Plan

Rain International has designed its Compensation Plan to reward our Rain Partners for gathering customers and helping others do the same.

The most successful Rain Partners take the time to do two things:

1. Learn as much about the Company’s products as possible; and
2. Develop critical business building skills by following the Company’s success systems.

The reason that these two activities are so critical is that you will need to teach and train those members of your marketing organization to do the same. What is certain is that exercising diligence, discipline, and demonstrating a willingness to work hard can turn into significant residual income for years to come.

Definitions

Active: In order to be Active, a RP must generate a minimum of fifty (50) PV in a MQP. PV is generated by a RP’s personal and PC Product purchases.

Autoship: An optional program that authorizes the Company to automatically ship Product to RPs and PCs on a recurring monthly basis.

Dual Team Earnings Cap: Team Commissions are maximized at $10,020, per BC per Qualification Period.

Dual Team Genealogy: The genealogically structured network of RPs that is created through placement of RPs on either Leg.

Dual Team Position: The genealogical position of a RP within the Dual Team Genealogy.

Carry Over Volume (COV): Any CV that is not paid to a RP in a Qualification Period will be carried over to the next Qualification Period if the RP, during the next Qualification Period, is Active. If a RP is Active, CV continues to carry over and bank until total CV reaches 2,000,000.

Commissionable Volume (CV): Each Product purchase is assigned a Volume value by the Company. CV is the basis for determining and calculating bonuses and commissions. The Compensation Plan pays 50% of all CV.

Commission Qualified: A RP who is personally active, and has at least one (1) Active Personal Enrollee in each Leg of his or her Dual Team Genealogy.

Compensation Plan: The specific plan used by the Company that details the requirements and benefits of the compensation structure for RPs.

Customer: An individual or company that purchases product through a RP’s distributorship.

Cycle: Is a dual team commissions payout of $30 that occurs during a commissions period every time 300 CV and/or COV is generated in each leg of the RP’s dual team genealogy. 300 left side plus 300 right side equals $30 (1 cycle). Max of 334 cycles per commissions period.

Enrollment Leg: The genealogy stemming from each Personal Enrollee of a RP in the Sponsor Tree Genealogy.

Genealogy: Comprising the Dual Team Genealogy and Sponsor Tree Genealogy, this determines most of a RP’s compensation under the Compensation Plan.

Generation: Every RP between a RP and the next Paid As Bronze Executive or higher in an Enrollment Leg.
Greater Leg: A RP’s Leg in the Dual Team Genealogy with the greater CV.

Group Volume (GV): The total amount of CV attributable to the RP’s Sponsor Tree Genealogy. A RP’s PV is included in the GV calculation. GV is equal to QV.

Initial Product Order: See the definition of this term in the Company’s Policies and Procedures.

Duel Team Leg: One of two legs front line to a RP; one will be a Lesser Leg and the other will be a Greater Leg.

Lesser Leg: A RP’s Leg in the Dual Team Genealogy with the lesser CV.

Lifetime Rank: The highest rank a RP has received in their involvement with the company.

Monthly Qualification Period (MQP): A rolling monthly period calculated from the date of the RP’s Initial Product Order.

Paid As: The Rank a RP is paid at under the Compensation Plan for a particular Qualification Period.

Personal Enrollee: A new RP placed on the enrolling RP’s first level of the Sponsor Tree Genealogy.

Personal Volume (PV): The amount of CV generated by a RP’s personal and PC’s Product purchases.

Personal Qualification Volume (PQV): Personal volume required for certain ranks in the compensation plan.

Product: A Company-offered good or service that has Volume assigned to it. Sales tools and promotional materials are not included in this definition.

Qualifying Volume (QV): The assigned value to Enrollment Packages and products that is used for qualifying for ranks within the compensation plan. QV is equal to GV.

Qualification Period: The time period in which a RP needs to meet the qualifications in order to earn commissions or bonuses for a respective commission or bonus period. Qualification Periods are either weekly or monthly.

Rain Partner (RP): A person who has entered into a Distributor Agreement with the Company, purchased a Starter Kit, and meets all other required criteria.

Rain Partner Team (RPT): A RPT is the makeup of personally enrolling 2 customers & 2 RP’s with those 2 RP’s enrolling 2 of their own personally sponsored RP’s.
Rank: The payout qualification level of a RP according to the Compensation Plan.

Rank Cap: The maximum amount of Team Commissions payable in any Qualification Period to a RP notwithstanding the actual amount of the Lesser Leg Volume.

Sponsor Tree Genealogy: The genealogically structured network of RPs consisting of all Enrollment Legs.

Starter Kit: An optional kit offered by the Company containing educational materials, sales tools and/or Products as posted on the RP’s replicated website or back office and subject to change from time to time at the Company’s discretion.

Upline: A single-line hierarchy of RPs extending upward from an RP.

Volume: The value assigned to a Product for commission purposes.

Weekly Qualification Period: The period from Wednesday 00:00 US Central Time to Tuesday 23:59 US Central Time.
Bonuses and Commissions

Customer Program
When Customers purchase products directly from the company, a bonus of 40% of the products full CV is paid on each Customer order to the Customer’s Sponsoring Rain Partner. These will also carry PQV (varies on product) which is put into the Dual Team Tree Genealogy every time Product is sold through the Customer Program and counts towards the Customer’s Sponsor’s PV.

Three and Free Customer Program
Customers are able to refer other customers and earn free product when qualified. For free product to be given the follow must be met:

a) Refer 3 unique customers.
b) These customers must purchase the same product.
c) Have these customers all buy in the same calendar month.

The referring customer will then be awarded with product credits. Each product purchased from a customer’s referring customer will also carry a bonus of 20% of the products full CV which will be paid to the upline RP.

First Order Bonus (FOB)
If a Personal Enrollee of a RP purchases one of the optional Starter Kits, the Personal Enrollee’s Sponsor earns a FOB paid out at 40% of the Starter Kit’s CV.

First Order Bonus Match (FOBM)
If a Personal Enrollee of a RP personally sponsors a new partner of their own, a first order bonus match of 10% of the Starter Kit’s CV will be paid to RP.

FOB Compression
The FOB’s will run dynamic compression. If a Rain Partner is not active or qualified to receive the FOB or the FOBM, the next Active and qualified RP will receive the bonus. A business center cannot earn more than one FOB per newly enrolled RP.

Team Commissions
1. In order to receive Team Commissions, a RP must:

   a) Be Active;
   b) Be Commission Qualified; and
   c) Have a minimum of 300-combined CV and COV (1 cycle) for the Qualification Period in each Leg of the RP’s Dual Team Genealogy.

Team Commissions are paid weekly based on the amount of new cycles generated within a commissions period, and subject to Rank Cap amounts. Any new PV over 200 in the
Qualification Period carries over to the Lesser Leg and paid in the Qualification Period it is earned.

2. Team Commission Rules

   a) Cycle Cap Rule: A “Cycle” is defined as a segment of 300 CV. Due to the Earnings Cap Rule, in any particular Qualification Period, Team Commissions will be paid on a maximum number of 334 Lesser Leg Cycles or $10,020. Any CV in excess of 334 Cycles will be carried over to the next Qualification Period.

   b) Team Earnings Cap Rule: Team Commissions for each BC will be maximized at 334 Cycles or $10,020 per Qualification Period.

   c) COV Rule: Any CV that was not paid as a Team Commission in the current Qualification Period will be carried over to the next Qualification Period, provided the RP is Active.

   d) Flushing Rule: Flushing occurs in two situations:

      i) If a RP is not Active for any Qualification Period, all CV and COV in each Leg will be reduced to zero (“flushed”) in the next Qualification Period; or

      ii) If a RP earns Team Commissions during a Qualification Period, the amount of CV on which the Team Commissions were paid will be flushed from each Leg.

Generational Matching Bonus (GMB)

In order to receive the Generational Matching Bonus (GMB), a RP must be Commission Qualified and meet the following qualification criteria.

First through third Generation:
1. Paid As Rank Bronze Executive through Gold Executive;
2. Have two (2) Active PCs; and
3. Maintain at least 100 PV in the MQP.

Fourth through seventh Generation:
1. Paid As Rank Platinum Elite or higher;
2. Have four (4) Active PCs; and
3. Maintain at least 200 PV in the MQP.

The GMB is paid weekly as a floating percentage of the Team Commission earned in a RP’s Sponsor Tree Genealogy up to seven (7) Generations. Because the Compensation Plan pays fifty percent (50%) of total Company CV, the floating percentage is based on CV after the Company pays all required commissions and bonuses.

The number of Generations available to a RP is determined by Paid As Rank, as summarized by the following table.

<table>
<thead>
<tr>
<th>Rank</th>
<th>Generations Available for GMB</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td></td>
</tr>
</tbody>
</table>

Rank Advancement Bonuses
When a RP qualifies at the rank beginning at Manager, they qualify to earn a one-time Rank Advancement Bonus. The amount of the Rank Advancement Bonus is as follows:

<table>
<thead>
<tr>
<th>Rank</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>Manager</td>
<td>$30</td>

</tr>
</tbody>
</table>

*Upon rank achievement $20,000 will be paid in increments of $10,000 a week. From henceforth, any time the RP reaches the Double Black Rain Diamond again, in that week they will receive $10,000 until the full amount has been paid (8 weeks).

** Upon rank achievement $40,000 will be paid in increments of $10,000 a week. From henceforth, any time the RP reaches the Triple Black Rain Diamond again, in that week they will receive $15,000 until the full amount has been paid (14 weeks).

When skipping ranks above Bronze, Rain will only pay the highest rank earned. If a Rain Partner skips Manager and earns Senior Manager, Rain will pay the $30 and $60. However, if a Rain Partner, for example, and skips Bronze and reaches Silver, they will only earn $200 for the Silver ranks advancement bonus.

Lifestyle Bonus
The requirements for earning the Lifestyle Bonus are:
1. Be Commission Qualified;
2. Be a Paid As Platinum Elite or higher; and
3. Have four (4) Active PCs.

The Lifestyle Bonus is paid weekly according to the following table.

*See Team Commission rule
**Rolling Group Volume**

Once a RP has hit an Elite Rank, any excess GV that was not used in the current WQP for Rank qualifications will roll forward to the following WQP. Excess GV will roll forward for four (4) consecutive weeks to help with qualification in other WQPs before it expires. Rolling Group Volume is calculated on an individual RP basis, taking into account that only fifty percent (50%) can come from any one Enrollment Leg up to Black Rain Diamond. 30% from any one enrollment leg for Double Black Rain Diamond, 25% from any one enrollment leg for Triple Black Rain Diamond.

**The 110% Rule**

The 110% Rule applies to any Dual Team Position who’s Lesser Leg has COV. In this circumstance, the Team Commission payout will be based on all of the new Lesser Leg Volume plus up to ten percent (10%) of the COV.

**Business Centers (BC)**

BCs are only eligible to earn Team Commissions. Upon enrollment, a RP is given one (1) BC (BC #1). A RP can earn Team Commissions on up to three (3) BCs. To earn on BC #1, the RP must be Active and Commission Qualified. A RP may obtain two (2) additional BCs (BC #2 and #3) by enrolling with a qualifying Starter Kit or upgrading after enrollment. To earn Team Commissions on BCs #2 or #3, a RP must be Active, Commission Qualified, and generate at least 300 CV on that BC’s Lesser Leg. BCs #2 and #3 can bank COV up to 500,000 CV per BC as long as BC #1 is Active.

BC #1 is considered to be the same position as the RP position for purposes of calculating Team Commissions. BCs #2 and #3 are considered at the head of each Leg of the RP’s Dual Team Genealogy for purposes of calculating Team Commissions. BCs have no position in the Sponsor Tree Genealogy.
